

Kingdom of Bhutan

Land of the Thunder Dragon

13 nights/14 Days

Departing Perth Wed 24th October 2012 (returns 6th November 2012)

This tour is specifically designed to introduce a most colourful destination that offers the visitor the most spectacular photographic opportunities. People, festivals, wildlife (Yaks to Birdlife), authentic markets, flora, virgin forests, running rivers, ancient Dzong Fortresses, Monasteries with lots of monks including the most photographed Tigers Nest.

The tour is timed to coincide with the Jambay Lhakhang festival and the authentic Prakar Festival together with the arrival of Black Necked Cranes from Tibet into the Probjikha Valley and more. Bhutan is a small Himalayan Kingdom, with a new King and Queen in a country that measures its success by the gross national happiness factor (not GNP).

Steeped in Buddhist tradition and amongst the Himalayan Mountain Range, the Bhutanese carry on their daily lives, in traditional clothes, culture and lifestyle.
